

Point Molate Land Use Alternatives Workshop 2

The public is invited to participate in a series of workshops to discuss proposed land use alternatives for the Point Molate site. A feasibility analysis of the proposed alternatives will be included in a report to be submitted to the City Council sometime in December 2010. The City of Richmond Planning and Building Services Department will facilitate three public meetings along with the consulting firm Design Community & Environment.

The second meeting, on September 8, 2010, will be to receive verbal input from the public and written proposals on land use ideas for Point Molate. A form for submitting your ideas is available on the city's website (www.ci.richmond.ca.us/pointmolate), at Richmond's Main Library, and at the Planning Division Counter. Your idea can be given to the facilitator at the workshop, emailed to Lamont.Thompson@ci.Richmond.CA.US or mailed or hand delivered to the following address:

Lamont Thompson
Senior Planner
Planning and Building Services
450 Civic Center Plaza
P.O. Box 4046
Richmond, CA 94804-1630

All Alternative Proposals shall be submitted to the Planning and Building Services Department before 5:00 p.m. Wednesday, September 15, 2010.

At the third meeting, planned for November 17, 2010, DC&E will provide a status report to the public on the progress of the evaluations. All three workshops will begin at 7:00 p.m. and will be in the Multipurpose Room Civic Center Building, 440 Civic Center Plaza Richmond, CA 94804

If you have any questions you may contact Lamont Thompson, Senior Planner of the City of Richmond Planning Division, by email at Lamont.Thompson@ci.Richmond.CA.US, by telephone at (510) 620-6947, or by fax at (510) 620-6858.
