2. All documents or records created after August 1, 2009, concerning any communications between the City and Upstream Investments or Upstream Pt. Molate (together "Upstream"), and or representatives, employees, or agents of Upstream, regarding the Draft EIR or public comments on the Draft EIR.
3. All documents or records created after August 1, 2009, concerning any communications between the City and Bureau of Indian Affairs regarding the Draft EIR or Environmental Impact Statement ("EIS") or public comments on the Draft EIR or EIS.

To the extent the requested documents can be readily reproduced, we would prefer electronic copies on a CD. We agree to reimburse the City for copying expenditures as
