

THE DEPUTY SECRETARY OF THE TREASURY  
WASHINGTON

January 13, 2010

Dear Tribal Leader:

At the White House Tribal Nations Conference on November 5, 2009, President Obama called tribal consultation “a critical ingredient of a sound and productive federal-tribal relationship” and signed a Memorandum on Tribal Consultations which directed each Federal agency to create an action plan for implementing Executive Order 13175. I share the President’s commitment to improving consultation and coordination with Native America Tribes and the U.S. Treasury Department (Treasury) is committed to developing a comprehensive plan to meet that goal.

We request your advice and feedback on how to ensure the concerns of Indian Tribal Governments are heard inside Treasury. Specifically, we would like to hear your thoughts on the following issues:

- What are the major issue areas where Native American Tribes are affected by Treasury actions?
- What actions or events should require consultation?
- Who should participate in consultation?
- What are the best methods of communication with Tribal leaders?

Of course, any comments or concerns you may have in addition to the issues above would also be appreciated.

To ensure that all tribes have an opportunity to comment Treasury has scheduled the following national conference calls with Tribal leaders:

Tuesday, January 19, 2010, 2:00 – 4:00 pm (EST)  
Call in Number: 866-341-2255 Pass code: 889-629

Friday, January 22, 2010, 2:00 – 4:00 pm (EST)  
Call in Number: 866-341-2255 Pass code: 390-143

I would be delighted if you could participate in one of these calls.

Additionally, Treasury also welcomes you to submit comments on the consultation process in writing. Written comments can be emailed to the Treasury at [TRIBAL.CONCONSULT@do.treas.gov](mailto:TRIBAL.CONCONSULT@do.treas.gov) or sent via regular mail to: Treasury Department (c/o Economic Policy), 1500 Pennsylvania Ave, NW, Washington DC, 20220.

Policy, U.S. Treasury. Treasury is committed to the creation of a permanent framework under which Tribal leaders will be able to consult with Treasury officials about Treasury policies and regulations that impact Native Americans. We look forward to receiving your input on how the consultative process should work.

Sincerely,
