* Historical Notes * Research References

Notwithstanding the provisions of Sections 33391, 33430, 33433, and 33445, or any other provision of this part, an agency shall not provide any form of direct assistance to:

(a) An automobile dealership which will be or is on a parcel of land which has not previously been developed for urban use, unless, prior to the effective date of the act that adds this section, the agency either owns the land or has entered into an enforceable agreement, for the purchase of the land or of an interest in the land, including, but not limited to, a lease or an agreement containing covenants affecting real property, that requires the land to be developed and used as an automobile dealership.

(b)(1) A development that will be or is on a parcel of land of five acres or more which has not previously been developed for urban use and that will, when developed, generate sales or use tax pursuant to Part 1.5 (commencing with Section 7200) of Division 2 of the Revenue and Taxation Code, unless the principal permitted use of the development is office, hotel, manufacturing, or industrial, or unless, prior to the effective date of the act that adds this section, the agency either owns the land or has entered into an enforceable agreement, for the purchase of the land or of an interest in the land, including, but not limited to, a lease or an agreement containing covenants affecting real property, that requires the land to be developed.

(2) For the purposes of this subdivision, a parcel shall include land on an adjacent or nearby parcel on which a use exists that is necessary for the legal development of the parcel.

(c) A development or business, either directly or indirectly, for the acquisition, construction, improvement, rehabilitation, or replacement of property that is or would be used for gambling or gaming of any kind whatsoever including, but not limited to, casinos, gaming clubs, bingo operations, or any facility wherein banked or percentage games, any form of gambling device, or lotteries, other than the California State Lottery, are or will be played.

(d) The prohibition in subdivision (c) is not intended to prohibit a redevelopment agency from acquiring property on or in which an existing gambling enterprise is located, for the purpose of selling or leasing the property for uses other than gambling, provided that the agency acquires the property for fair market value.

(e) This section shall not be construed to apply to agency assistance in the construction of public improvements that serve all or a portion of a project area and that are not required to be constructed as a condition of approval of a development described in subdivision (a), (b), or (c), or to prohibit assistance in the construction of public improvements that are being constructed for a development that is not described in subdivision (a), (b), or (c).
