PETITIONS - READY STATUS - 9

(as of September 22, 2009)

Administrative Note: These petitioners have responded to technical assistance (TA) review letters and stated their petitions should be considered "ready" for active consideration. Priority among "ready" petitions is based on the date that the Department determines the petition to be "ready." Under the regulations at 83.10(d), "The order of consideration of documented petitions shall be determined by the date of the Department's notification to the petitioner that it considers that the documented petition is ready to be placed on active consideration." These petitions are "Ready, Waiting for Active Consideration."
